

- Engineering and manufacturing
- Individual fitting with push buttons, switches and indicating diode lamps
- Enclosure from material aluminium, polyester, stainless steel

Technical Data

Explosion protection:

 II 2 G / 2 D

EEx e II T6

Certificates:

Aluminium enclosures: PTB 00 ATEX 1063

Polyester enclosures: PTB 00 ATEX 1002

Stainless steel enclosures: PTB 00 ATEX 1052

Ingress protection:

IP 66, EN 60529

Impact resistance:

> 7 Joule, EN 50014

Temperature range of application acc. EN:

acc. assemblies
